SERVICES

EXHIBITIONS

We are a Exhibition Stall Designer Company offering highly customized

Exhibition Stall Design,
Exhibition Stall Fabrication,
Portable Exhibition Kit,
Exhibition Booth Decoration etc based on client requirement with presence in Pan India :
Mumbai, Delhi, Bangalore, Chennai, Hyderabad, Pune, Coimbatore etc and.

We offer a Single Source of contact for anything and everything in Exhibition & Display industry as to offer single point of contact for our Clients, enabling them to save time in planning entire exhibition.

EVENTS MANGEMENT

Event management could be event planning, event marketing, meeting planning, cultural event planning, etc. We offer a pro-active exhibition project management service to enhance the leadership management. All activities like ATL, BTL, mall activities, Kiosk management, Road Shows, are on offer. We work in close alliance with our clients and believe in working on all details to end up with best results.

OCTANORM STRUCTURES

We provide shell scheme stands suitable for any event. Octonorm shell scheme stands are pre-fabricated modular structures available in polished form with supportive ceiling grid, fascia, name board, and glass shelves. A variety of visual styles are available and wall panels are supplied in a variety of Velcro compatible surface finish. Other wide range of additional components are also available for exhibitors to order depending upon their requirement.

BRANDING

Meeting with your counterparts, business delegates, distributors or channel partners is always a very important aspect to generate more business and to ensure initial offering is a resounding success. Whether we manage complete project or serve as a seamless extension of your team, our objective driven approach to conference planning and management allows us to deliver superior results and comprehensively review and build upon past successes while overcoming obstacles and maximizing your returns.
